

Celebrating International Day of the Girl Child 2025

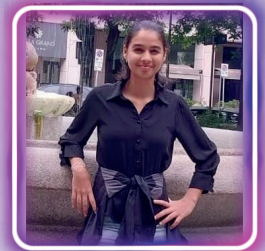

Our girl advocates proudly participated in the International Day of the Girl Child (IDG) 2025, embracing the theme ***"The Girl I Am, The Change I Lead"*** on **October 11th**. They also represented our school in the Central East India Level online session on October 4th via Zoom themed ***"UDAN - Unfurling Dreams and Nurturing Safe Spaces."***

Jasmine represented the Asia-Pacific level, while Anne, Joanne, and Mahilzarasi represented the regional level. Their participation highlighted their dedication to promoting equality, empowerment, and opportunities for every girl. In celebration of IDG 2025, here are short statements from our girl advocates at the unit level:

Jasmine / Chennai – Asia-Pacific Level

"It was an honor to host IDG 2025 Asia-Pacific and learn alongside brilliant girls from the region. Guided by the theme 'The Girl I Am, The Change I Lead,' we came together like constellations—each voice unique, yet stronger and brighter when connected."

Anne / Chennai – Regional Level

"It was a privilege and joy to host IDG CEIN 2025. I believe we are the hope for a better tomorrow! We are change makers, and our united efforts will make our world safer for generations to come."

Joanne / Chennai – Regional Level

"Advocating for girls' rights has been a journey of purpose and hope. I have learned that empowering girls means giving them confidence, education, and the ability to believe in themselves. Every small act of kindness can create ripples of change, creating a world where girls can achieve their dreams and lift others with them. My journey continues with one vision—that all girls must believe in themselves and walk toward their dreams without hesitation."

Mahilzarasi / Chennai – Regional Level

"The panel discussed the link between poverty and denied girls' education, the importance of children's voices, and how ensuring a safe space for children with disabilities, alongside male allies advocating for gender equality, would create a safe and inclusive society for all."
